

2024 COMPANY HIGHLIGHTS &
OVERVIEW OF BANTERRA'S 50 YEARS

Helping You Thrive Since

1975

OUR STORY

Banterra began in 1975 in a small Southern Illinois town known as Ridgway. Little did any of us know that 50 years later, we would become one of the top community banks in the nation, with over 40 locations in six states and more than \$3 billion in assets.

We know there are many banks that you can choose from to support your personal and business banking needs. However, I think you will find something special about Banterra that has set us apart from the beginning.

We understand the true meaning of partnership. When you succeed, we succeed, and we feel part of your team in doing so. We offer unmatched service that you find in a local bank, with the lending support and products of much larger institutions. We visit your businesses, get to know you by name and make it a point to understand your needs. That makes a difference whether you are in a small town or a metropolitan city in our footprint. All of this is part of our culture statement, something we are dedicated to do, day in and day out.

Whether you are a small business on our main street or a large commercial enterprise, we have the expertise to help your business thrive. We have supported our farming community from the beginning, with significant experience in ag lending. We've grown to have strong lending capacity for commercial and industrial needs, as well as offering specialty lending that ranges from RV & Marine Lending, Aircraft Finance and Machine Tool Finance, all with dedicated teams within each area of expertise.

Both the banking industry and Banterra have seen monumental change over the past 50 years, and that change will continue at an ever-increasing pace as we strive to better serve our customers. We continue to embrace innovation, technology and forward-thinking to further our growth and development, while never losing sight of the importance of relationships.

We're excited to celebrate our 50th anniversary this year with our team members and our customers. Our company would not be where it is today without the dedication and loyalty of these two groups.

If you're not currently a Banterra customer, please give us the opportunity to learn more about you and your unique needs, and consider us as your financial partner.

OUR CUSTOMERS

Everett Knight and Jim Reichert

“I’ve been a Banterra customer for 50 years with some of my earliest deals made directly with Banterra’s Founder and Chairman, Everett Knight. I chose Banterra because they genuinely wanted my business and worked hard to gain it. Unlike others, they are honest, have a smart team and always follow through on promises. My time with Banterra has been like a rocket ride - making deals and making it happen!”

TAKING CARE OF OUR COMMUNITIES

Banterra Bank not only uses a majority of its marketing budget to support sponsorship and donation requests made within our communities, but we also often promote charities in our Banterra locations.

You will also find our team members volunteering in our communities. Whether it is board and committee involvements in civic organizations, coaching youth sports or serving at local food pantries, you will see our team members showing community support throughout the year.

SUPPORTING OUR SCHOOLS

Banterra strongly supports the schools within our footprint, in educational, athletic, and wellness opportunities. Ranging from large sponsorships with colleges and universities, to wellness campaigns such as our “Random Acts of Kindness” and “Student of the Month” promotions, to financial literacy opportunities, Banterra always makes a concerted effort to support the youth and schools in our area.
