

HELP BANTERRA RAISE MONEY FOR UNITED WAY

Banterra makes it a top priority to give back to the local areas where our team members live and work. This January, our team members will make a weekly donation to United Way and in return, they may wear jeans on Fridays.

United Way has evolved from being a community chest offering emergency help in times of need to focusing on community impact - providing resources for community issues like health, education, and financial stability for those who need it most.

We invite you to join us in this fundraiser by making your own donation at one of our more than 40 locations.
