

WE'RE RAISING AWARENESS & FUNDS FOR COURT APPOINTED SPECIAL ADVOCATES AND GUARDIANS' AD LITEM

On any given day, more than 420,000 children are in foster care. Imagine the uncertainty of experiencing new homes, new schools, court hearings and generally not knowing what's next. Now imagine what it means to a child to have a caring adult who volunteers his or her time, who listens, who shows up, who keeps promises and who fights for your best interests, no matter what.

That's what 93,000 CASA/GAL volunteers do every day for more than 242,000 children and youth across the country. They change lives!

Your gift to our Banterra's fundraiser will help National CASA/GAL and its entire nationwide network recruit more volunteers and reach more children in need.
